Date: 19.10.2021.

To,

Department of Computer Science  
G.T.N College  
Dindigul.

Sir,

I am very glad to thank you and your students of Computer Science department, who came to our Anuramtharayankottai village on 13.10.2021 and planted tree saplings in our church complex. I really appreciate their effort to create awareness on Global warming and missing importance of preserving the nature. I wish them all the success in the effort.

Thank you

Yours Sincerely  
Fr. Soosai

## Report of the visit with photos

Our students of Bsc Computer Science 4<sup>th</sup> year (Total 10 students) went for a visit to

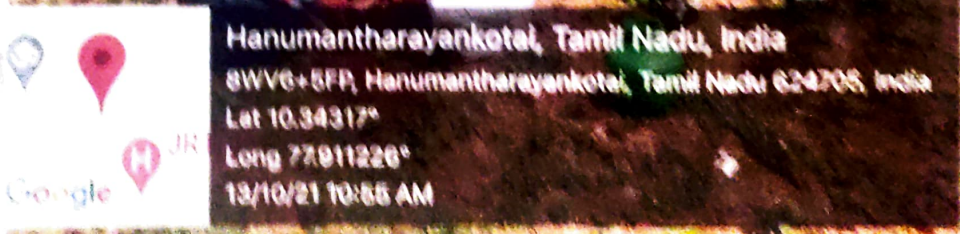

Anumanttharayan Kollai on 13/10/2021. with the help of villagers we planted few neem saplings in the mid of St. Ignace's church. And we donated one month groceries to a physically challenged person in that village.

The Extension Activity encompasses Synthetic Knowledge transformation.

Our students gave awareness about covid-19, precautions and Vaccination.

In turn the villagers interacted well conveying some information about environment, farming, water recycling etc.

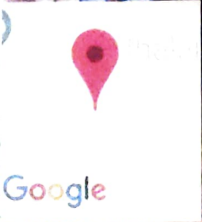

It was a wonderful experience to our final year student.

## Report by the Students

1. N. Haritharan  
(19UCSB012)

We visited Anuramtharayam Kottai as part of our field trip. we planted a few neem saplings. we have also donated some basic home groceries to a handicap women. It was a different experience for us visiting rural areas, and come to know about their lifestyle.

2. P. Soorya Harsha  
(19UCB032)

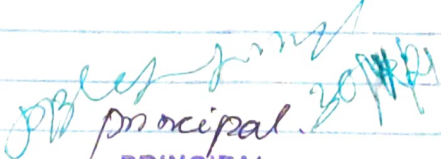

It was a wonderful trip and we have communicated with some elderly person. we also talked about Covid 19 precautions and importance of vaccinating.

3. K. PRIDHY  
(19UCSB022)

I interacted with many people there. Got some new experiences about plant, environment, food habits, economic life need of them.

I am looking forward to do further social practice like this.
